

Practical sax range

www.composershop.com

The image displays a musical score for saxophones, organized into pairs of staves. Each pair represents a specific saxophone type, with the top staff showing the 'written' range and the bottom staff showing the 'actual sounds' range. The saxophones included are Bb soprano, Eb alto, Bb tenor, Eb baritone, and Bb bass. The notes are written in a sequence that demonstrates the practical range of each instrument, with the 'actual sounds' range often extending lower than the 'written' range. The score is presented in a clean, black-and-white format with standard musical notation.
